

Brief information of the participants in Portugese exhibition

№	Place	Participant	Field of activity	Name of goods
1.	Moscow	The <i>IRKUT</i> Corporation	aviation	Manufacture of aircraft for military and civilian purposes (multi-purpose combat aircraft Su-30MK, multi-purpose combat aircraft Su-30KN, amphibious aircraft Be-200, aircraft AEW A-50E)
2.		CJSC RPE Project-Technika	specialty vehicles	Roll-off containers, van body, beds of other types, mobile pneumoconstructions and tents
3.		LLC "Liotech"(Lithium technologies)	alternative energy	High capacity lithium-ion batteries
4.		<i>JSC Mostochlegmash</i>	customer goods	Needles, razors, pins, paper clips, dies
5.		"HYGIENE - MED"	chemical industry	Disinfectants, household chemicals and antiseptics
6.		LLC "Uglerodpromsnab "	chemical industry	High-carbon materials, coking (metallurgical) and carbon bricks, graphite
7.		"SPECTA"	packaging	Packing material for protection cargo during transition
8.		<i>JSC Spectromed.</i>	healthcare	suprasonic medical equipment
9.		LLC "MEL"	electric-power industry	high- and low-voltage electrical control equipment, elevators and elevator equipment, control stations
10.		Federal Tourism Agency	tourism	Inside Russia tourism
11.		Federal State Unitary Enterprise "Rosoboronexport" (project "OASIS")	innovation	«Arid grow-perfect land", the recovery of soil fertility not only in normal conditions, but also in areas unsuitable for agriculture
12.		Russian cosmetic industry ("Stork", "Glorion, " "Cotton Club", "LN-cosmetics", "Frattini Export")	cosmetology	Medical and decorative cosmetics
13.		LLC "MAGI-E Firm"	electrical power industry	Production of highly effective equipment for power generation and automatic control systems
14.		"Atmosfera", solar panels and wind turbines	alternative energy	solar panels and wind turbines

15.	Moscow	CJSC «RLB Silika»	construction materials	Isolating materials based on quartz fibers
16.		LLC "RictaMed"	healthcare service	Equipment of quantum medicine
17.		"M2M -Telematics"	innovation	Innovative company that combines developers, producers on the the market of transport telematics and satellite navigation, navigation and information systems for automonitoring ,terminal equipment
18.		I.M.Sechenov First Moscow State Medical University(MSMU)	healthcare	medical innovations
19.		TANA " Companies Group	healthcare (telemedicine)	health and telemedicine equipment
20.		OJSC DO «Vympel»	innovation	of space and missile defense, radio detecting and ranging
21.		LLC "EKOPAN"	constuction	Prefabricated timber frame constaructions
22.		"Splat"	customer goods	tooth pastes
23.		"Lider Light Trade"	electric-power industry	light-emitting-diode lamps and bulbs
24.	Moscow region	CJSC "Diaklon"	healthcare	Medical Sterile gloves, gynecological mirrors and kits
25.		CJSC "Nams", Ivanovskaya marka	excavation equipment	road construction and special equipment (cranes)
26.		LLC "Eco-AgTi "	agriculture	recycling of organic wastes, mineral fertilizers agricultural
27.		CSTS DINAMIKA	aviation	flight simulators
28.		OJSC "Heavy Machinery Plant of Elektrostal")	engineering, metallurgy	production of metallurgical, mining equipment, devices and machinery
29.	Maykop, Voronezh, Tyumen, Novosibirsk	Machine-tool company "Avangard", OJSC "Maikop mechanical-engineering plant, JSC Tyumen mechanical-engineering plant", LLC "Rosdrevmash "	mechanical engineering, wood industry	hydraulic manipulators (Maikop), sawmill, multi-sawing equipment (Avangard-Voronezh), clutch plates for all types of weight and special patriotic production (Tyumen), wood equipment (Rosdrevmash-Novosibirsk)
30.		Shipyard "Pella"	shipbuilding	shipbuilding
31.		JSC "Avangard"	circuits and signaling	circuits and signaling

32.	Saint Petersburg region	Scientific-Production Association "Petrolazer"	healthcare	veterinary, medical and laboratory equipment
33.		LLC "North Sea"	shipbuilding	shipbuilding
34.		Nevsky Plant "Electroshchit"	electricity	conductors and busbars, transformer substation (electricity)
35.		CJSC "BaltTransEkspeditsiya"	water purification	production the equipment for water treatment
36.	Bryansk region	Dyatkovsky crystal	crafts	manufacture of crystal
37.	Vladimir region	JSC "Electrocable Works, Kolchugino"	electric-power industry	electric cables, wires
38.		Federal government agency "Federal Centre for Animal Welfare (Research Institute for Animal Welfare)	veterinary medicine	production of highly effective environmentally safe medicines for veterinary purposes
39.	Volgograd region	"Severstal furniture "	furniture industry	furniture production
40.		"Neftegazstal-steel-NBK"	petroleum industry	Design and implementation of modular and mobile-modular systems and technologies to the field of waste processing and recycling of oil and gas, petrochemical, metallurgical industries
41.		Pipe plant JSC "Profil-AKRAS"	metallurgical industry	electric water pipes and gas pipes, heating systems, as well as the pipe square, rectangular, flat and arch sections
42.		CJSC "Orteh ("Volgograd plant of irrigation equipment")	agriculture	agricultural machinery
43.		LLC "Volgograd plant of small-diameter pipes"	metallurgical industry	electro-welded water and gas (pipeline), special-purposed pipes for the production of sophisticated appliances and motor vehicle industry
44.	Velikie Luki	Holding Company "Lifting Machines"	engineering	hoisting machinery
45.		CJSC "Plitspichprom"	wood-working industry, construction materials	Fiberboard, particleboard, match manufacture, casing, linkchains, wooden boards, laminated lumber

46.	Kaluga region	JSC "Voschod" - KRLZ	electric-power industry	IC for electricity meters, MOSFETs, transistored optocouplers, microelectronic circuit for automotive electronics and secondary power sources, thermoprinting knuckles, semiconductor lasers, infrared LEDs and photodiodes
47.	Krasnodar region	LLC Compressor Plant "Borets"	compressors production	Compressor stations, gas separation equipment.
48.	Kirov region	OJSC NOVOVYATKA	customer goods	domestic appliances, automatic circuit breakers, gear pumps
49.	Kursk region	Kursk plant "Battery"	production of the sources of juice	starter, traction, aviation, stationary batteries, special-purposed batteries
50.	Nizhny Novgorod region	"Gaz Group"	motor vehicle industry	medium-duty, heavy-duty autos, cars, specialty vehicles
51.		"Khokhloma"	folk field	folk field
52.	Novosibirsk region	JSC "SPA Sibselmash"	agriculture	agriculture equipment
53.	Samara region	Samarskiy laminat"	Building materials	laminated chipboard production
54.	Sverdlovsk region	KUMZ (Kamensk-Uralskij metallurgical works)	nonferrous-metals industry	rolled aluminium
55.		«ARTINSKAYA IGLA»	customer goods	Needles for sewing machines, needles
56.	Tomsk region	OJSC "Medical and Ecological Center "Dune"	healthcare	Medical Equipment
57.		JSC NPF FiBRA	Innovation	innovative ecosystem, supporting creators and developers'es innovative projects, contribution to its ideas through creatin small innovative business enterprises
58.	Tatarstan Republic	LLC Kazan engine building industry association	machine-building industry and metallurgy	gas pumping and agricultural equipment
