TRAINING

The training intervention constitutes a continuous process of creating added value and thereby improving productivity and competitiveness of corporations.

Aiming to improve the skills of human resources in organizations, AERLIS offers a wide range of practical training services, designed to meet the needs of businesses.

AERLIS is certified for training and organizes joint or single-funded programs for entrepreneurs, middle managers, local development agents and the unemployed.

EVENTS

AERLIS works on a database of 85.000 companies in the Lisbon Region, promoting business development and networking. The activity of organizing events has provided the Association to achieve its essential objectives, encouraging the involvement of business people in the debate on the main national and international issues.

Promote your business organizing an exclusive event or sponsor one of our events.

The option to advertise and market the event through AERLIS allows you to boost your company brand, win new customers, maximize your exposure to the market, reach decision makers and generate networking opportunities. Our sponsors receive extensive marketing exposure through the presence on the wide range of channels used to promote the event.

AERLIS helps companies that seek international presence in identifying business opportunities and organizes business trips.
